

The mission of the Durham Rescue Mission is to meet, through the power of Jesus Christ, the needs of the whole person - spiritual, educational, emotional, physical, vocational, and social - so that those who are hurting may become fully functioning members of society.

**Goal: 38% of all male residents are enrolled in Victory Program**

**DRM Commentary:** As we completed the year of 2010, 42% of all male residents staying at the DRM are enrolled in the Victory Program. Our statistics showed that even with a 19% increase in our overall population, we were able to surpass our goal by 4%. It is exciting to see our men receive the spiritual guidance that they need to become a functioning member of society. We will continue to strive in our overall mission, that everyone in the Triangle has a home, on earth and in Heaven.

**Goal: Return \$1.75 of Value to the community for every \$1.00 donated**

**DRM Commentary:** We are currently providing \$1.75 ROI to the community. The Durham Rescue Mission does not solicit or accept any Federal, State, or Local Government funding. 100% of our income comes from individuals, corporations, churches, and other private entities. *The Durham Rescue Mission downtown campus is the heart and soul Durham.* - Bucky Waters, Former Duke Head Basketball Coach

**Goal: 34% of male Phase 1 Victory students complete class**

**DRM Commentary:** 28% of male Phase 1 Victory students have completed the class. We were under our goal by 6%. The Lord is continuing to work in all of those who entered into the program. We will continue to pray for each student that they follow the will of God.

**Goal: 82% of male Phase 2 Victory students complete class**

**DRM Commentary:** 69% of the men who entered Phase 2 of Victory completed the program. This is a 13% drop in our goal. We will continue to strive in our efforts in teaching the Word of God to those here at the Mission.

**Goal: 96% of male Victory graduates are employed**

**DRM Commentary:** Currently 100% of male Victory graduates are employed. 100% of all our residents are working in some capacity everyday. We are striving to have all Victory graduates in a full time position by their completion date.
