

## Durham Rescue Mission Success Goals

### 2011 GOALS

1

40% of ALL residents enrolled in Victory Program.

2

35% of ALL Victory Program participants complete first phase.

3

80% of ALL Victory Program participants who complete first phase go on to complete second phase of the program.

As of December 31, 2011:

Goal 1: 40% of all residents are in the Victory Class for 2011 (70 of 173)

Goal 2: 37% of Phase 1 students graduated (57 of 152).

Goal 3: 59% of Phase 2 students graduated in 2011 (34 of 57). We had an unusual number of students leave the program for jobs or to go back to their family during the 2nd phase which kept our numbers down. The good thing is a majority of those who left are drug free and working.
