

DurhamCares Dominican Republic Parent-Child Exploration Trip September 24-27, 2010

Join us as we travel to the Dominican Republic to visit excellent organizations who share the gospel through community and economic development in some of the poorest areas of the world. This is a great opportunity to see, first-hand, the impact of your giving all over the world and the importance of loving your neighbor next door, across town and around the world. This trip is being lead by Scott Steele, who lived in the DR for 12 years with Young Life and will add tremendous value to our experience
