

## Housing for New Hope Success Goals

 <b>2011 GOALS</b>	<b>1</b> <u>Assist 180 homeless households or potentially homeless households obtain and maintain permanent housing</u>	<b>2</b> <u>Provide rental and other financial assistance to 600 homeless or potentially homeless households</u>
---	---	--

As of December 31, 2011:

Goal 1: HFNH assisted 294 homeless households or potentially homeless households with obtaining and maintaining permanent housing.

Goal 2: HFNH provided rental and other financial assistance to 850 homeless or potentially homeless households.

Total Operating Budget: \$1.9m

**DurhamCares Commentary:** Housing for New Hope has participated in the DurhamCares platform since its inception and we are happy to have them participating again this year. Their personalized approach to serving the homeless is appealing to us as is their long history in Durham. We look forward to working with all the organizations in the platform who serve the homeless to really understand the willingness, ability and opportunity to collaborate in the future.
