

Kramden Institute Success Goals

 2011 GOALS	1 <u>Award 2000 desktop PC's and technical support at no cost to the recipients family.</u>	2 <u>Provide 500 volunteer hours of computer training to Kramden Scholars.</u>
	3 <u>Refurbish and award 50 laptop computers to at-risk high school graduates continuing their education.</u>	4 <u>Recruit and retain 8 actively engaged leadership volunteers for a minimum of 6 months.</u>

As of December 31, 2011:

- 1) So far this year Kramden has awarded 2,150 desktop computers.
- 2) Kramden has provided 13,917 hours for volunteers and computer training.
- 3) We have refurbished and donated 172 laptops.
- 4) In the last quarter, Kramden promoted two members to our Volunteer Management Team to help lead our organization and one person to our Super Geek team to help teach new volunteers. During 2011, Kramden recruited and retained over 8 actively engaged leadership volunteers for a minimum of 6 months.
- 5) Kramden finished compiling our post-award data and in partnership with MC for NC will be evaluating the data for our 2011 end of year report.
